

Here's What Participants Are Saying About the Nurse Preceptor Academy

The information definitely helps my future preceptor duties. You've given me situations that I can use. This has also rejuvenated me!

Very informative and very interactive – the program hit on many of the challenges of being a preceptor and how to overcome them.

It was great! I have so many ideas – I can't wait to get started with a new orientee!

All the subjects were right on the mark.

I needed this. I've never had any formal instruction on how to train someone. Everyone at my hospital who has to precept should take it!

Great notebook to keep for reference.

I found this to be very informative and helpful. You presented a lot of useful info that can be taken back to my unit.

I really enjoyed the program – I truly believe that it will make me a more well-rounded preceptor.

Very upbeat and positive environment!

Thank you! I feel so much more confident as a preceptor. You shared all the information I had been wanting and not sure of where to gain it.

It's inspiring and refreshing – more preceptors need to go through this program from my unit.

Kept my attention all day: Informative and fun! Great resources and ideas!

I am happy to know that this type of program is available, to change the nursing culture to a more supportive and cohesive profession!

I enjoyed the course and can't wait to go out and teach with enthusiasm and touch the life of a nurse.
